

TONY PULLS THE SWITCH – PULASKI

(From the album “You’re Dead To Me, I Love You”)

DEEP WITHIN THE BOWELS OF THE SUN, THERE LIVES SOMEONE –

A BOY NAMED TONY. HE WAS LEFT IN CHARGE TO RUN

THE GIANT FURNACE FUSING HYDROGEN TO HELIUM TO ANTIMONY.

IN 4 MINUTES TIME, HE’LL PULL A SWITCH...

KEEPING ALL ITS SECRETS IN HIS HEAD, ENCASED IN LEAD –

SITS LITTLE TONY. HE HAS NEVER THROWN A BALL OR MOWED A

LAWN AT ALL, OR TASTED PEANUT BUTTER, JELLY OR BALONEY.

IN 400 YEARS, HE’LL PULL A SWITCH – WHICH WILL UNHITCH...

A GIANT SOLAR FLARE! WHEN IT IGNITES...

IT BLOWS OUT LIGHTS AND SATELLITES – MOST EVERYWHERE.

DEEP WITHIN THE BOWELS OF THE SUN, HAVING NO FUN –

POOR LITTLE TONY. HE KNOWS THE END HAS JUST BEGUN.

AND JUST FOR ONCE HE WONDERS WHAT IT’S LIKE

TO GIVE UP BEING LONELY.

IN 4 BILLION YEARS HE’LL PULL A SWITCH – WHICH WILL UNHITCH...

A GIANT SOLAR FLARE! WHEN IT IGNITES, IT BLOWS OUT LIGHTS

AND SATELLITES. AND TONY CRIES CUZ THIS ONE’S SIZE

WILL VAPORIZE EARTH’S ATMOSPHERE... DEAR.
